

## Under an African Sky

### English

Reading and discussing Lila and the Secret of Rain, a modern folk tale reminds us of how necessary and precious water is for survival and provides opportunity to explore together some larger themes of conservation, acceptance courage and hope.

### Maths

Solve problems involving multiplication and division,  
Choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature (°C); capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels

### Science Plants

Observe and describe how seeds and bulbs grow into mature plants  
Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

### Geography

Contrasting locality overseas -  
Learn how village life in rural Africa differs to life in Headcorn  
Understanding Water aid  
What can we learn about conservation?

### Art and D.T.

Looking at African patterns including African Textiles  
  
Creating sunset paintings of the African Savannah  
  
Looking at Tribal African masks and Animal masks

African djembe drumming

### Learning Skill:

**Knowing Me Knowing You**  
*Developing a Sense of Self-Worth and Understanding of Self and Others*
