

The wolves are at the door!

English

We will be studying the book "The Wolf's Footprint" by Susan Price. The Wolf's Footprint begins like Hansel and Gretel. However, this version is nearer the original story as it was first collected by the Brothers Grimm. The class will write in a variety of genres, both fiction and non-fiction.

Maths

Recall and use multiplication and division facts for multiplication tables up to  $12 \times 12$ . Use place value, known and derived facts to multiply and divide mentally. Solve problems involving multiplying and adding.

Geography -

We will be learning to locate the world's countries, using maps to focus on Europe, North and South America. Looking at human characteristics, countries, and major cities

DT

Understand and apply the principles of a healthy and varied diet. Prepare and cook a variety of predominantly savoury dishes using a range of cooking techniques.

Food tasting!

Learning Skill:

"It's Up To Me"  
(Developing Independence and Responsibility)

Science

Changing states of matter - reversible and irreversible changes. Properties of materials.
