

# HEADCORN HEADLINES

Edition: 67

Week Beginning: 04/12/2017

URGENCY	GENERAL WHOLE SCHOOL ITEMS				
<p>Head's Lines</p> 	<p>Congratulations to our HP Singers for their first 'gig' at the Christmas Village Event last Saturday. The choir, who are now 54 strong, sang their hearts out to a very large audience. We really are very proud of the effort and teamwork shown by all and say a heartfelt thank you for representing the school with such joy and enthusiasm....even in the dark and cold! Another big congratulations to the Basketball teams who played so skilfully on Wednesday. Parents have commented to me about how our school stands out head and shoulders above the rest for its sportsmanship and team spirit. Well done. Every child will come home with an Advent Calendar today. These have been provided by a charity called MAF who fly doctors to remote locations all over the world to meet the needs of people cut off from amenities. We will be learning about and partnering with this charity in 2018. Each window gives information about people across the world plus there are ways you can enter a competition with daily prizes and an overall prize of a flight in a light aircraft. Happy Advent!</p>

<p>SPORTS</p>	<p><b><u>Basketball @ Cranbrook School</u></b> Under the warm fluorescent glow of the gymnasium lights of Cranbrook School, Headcorn took part in a Kent School Games Basketball competition on Wednesday 29th November. With so many children wanting to take part we were able to field both an A and B team at this event. Teams were made up of a mixture of year 5 and 6 pupils, who really complimented each other with their styles of play. During the group games pupils from both Headcorn teams played some exceptional basketball, showing good levels of fair</p>				

competition and passing. Not allowing any team they faced to get the better of them. Our A team were victorious in all of the games they played, beating teams such as Goudhurst, Cranbrook, Lamberhurst and Marden on the way to the semi-finals. Headcorn kicked into an even higher gear during their semi-final against Goudhurst eventually winning 12-2 at the final whistle. The grand final saw Headcorn take on Colliers Green losing by a mere 2pts, in a very tight game, to finish runners-up for the Cranbrook area.

Well done to all the children who took part you are a credit to Headcorn School and thank you to the parents for their continued support during the tournament. A full list of results can be viewed below...

<p><b>EARLY YEARS CLASS: CHEETAHS</b></p>  <p><b>EARLY YEARS CLASS: LEOPARDS</b></p> 	<p>We would like to thank all the children and Parents for attending the TLCs. It was lovely to see the children sharing their learning with such passion and enthusiasm. We both really enjoyed discussing how well each child has settled at school and the progress they have made.</p> <p>Please could all Nativity costumes be in school by Monday.</p> <p>As Winter is now upon us, we will be starting to talk about the changes we see outside and of course, starting our Christmas topic! Please could each child bring in one white sock and one coloured sock in a labelled bag, as we will be making 3D snowmen.</p> <p>If at any point there is anything that you need more information on or need clarifying, both Miss Man and myself are around at the end of the day if you wish to come and speak with us, we will be happy to help.</p> <p>Thank you for your continuing support with your child's learning, it is very much appreciated.</p>																
<p><b>YEAR 1 CLASS: TIGERS</b></p> 	<p>It was a real pleasure to speak to you all during parental consultations and it was wonderful to see the children being so proud to share their learning with you. Preparations for our Nativity dances are going well. Thank you for bringing in any remaining costumes by Monday.</p>																
<p><b>YEAR 2 CLASS: PUMAS</b></p> 	<p>Another busy week for Puma class as we got to share our excellent 'Traction Man the Sequels' with both reception classes – what a brilliant audience they were too!</p> <p>We have also continued learning about money and finding equal amounts using different coins. In History the class have been 17<sup>th</sup> Century architects, redesigning London after The Great Fire – they have certainly added some colour to it!</p> <p>Thank you so much for all the wellies that are coming in and for all the Nativity costumes. Deadline for the remaining ones is <b>MONDAY 4<sup>th</sup> DECEMBER!</b></p>																
<p><b>YEAR 3 CLASS: JAGUARS</b></p> 	<p>The Jaguars have been enjoying making their own mini volcanoes, we're aiming for an explosive end of term when we (hopefully) get them all to erupt! We have been using our multiplication skills in maths to prepare us for our division work before the end of term.</p> <p>The children have been exploring fossils and looking at some great examples in class - I feel we might have a few budding paleontologists among us. They have used our book, 'The Pebble in my Pocket,' to produce some really descriptive writing this week.</p> <p>As discussed in many of our TLC appointments please encourage your children to regularly share their reading with you, whether they are reading to you or you to them or just talking about what they have read, it really does make a difference. Thank you</p>																
<p><b>YEAR 4 CLASS: JUNGLE CATS</b></p> 	<p>There have been many highlights this week, perhaps the most enjoyable has been the Year 4 visits to Culpepper and Yew Tree Residential home to meet the older generation of Headcorn. The children read stories and spoke to them about their work. As expected the class were respectful, polite and very articulate. Another highlight of the week was meeting parents to talk about their children's learning and for parents to see the work in their books. Don't forget that homework and spellings are on the class blog, which are posted on Friday afternoon.</p>																

**YEAR 5 CLASS:  
CARACALS**

Thank you for the wonderful TLCs. It was lovely to see you all. It is always a pleasure to chat about such a hardworking and enthusiastic bunch of learners.

As requested by a few people at TLCs, the Maths Curriculum overview for the whole of Year 5 is now available on the Caracal blog. Go to correct page and click the link.

**YEAR 6 CLASS:  
LIONS**

Thank you to everyone for your marvellous fraction cakes. We have really enjoyed seeing AND sampling the cakes!
