Inside and Out

English

- To enjoy a story and discuss its meanings
- To explore narrative plot, settings, characters and draw inferences to aid understanding
- To broaden understanding of writers' use of language and build a varied vocabulary
- To draft and write recounts by organising paragraphs around a theme
- To write newspaper reports based on the narrative

Maths; Statistics

The children will read and interpret information from pictograms, make comparisons and ask questions about data. They will draw bar charts from information given in pictograms and tables and interpret information from bar charts.

The children will read and interpret bar charts with scales of 1, 2, 5 and 10, so they can decide which scale will be the most appropriate when drawing their own bar charts.

R.E; Christianity

What do different people believe about God?

The children will discuss and describe some of the ways in which Christians, Hindus and Muslims describe God.

DT; Mechanical Posters

The children will develop their understanding of mechanical systems by investigating different types of lever and linkage mechanisms. They will learn how to create a poster with moving parts to advertise The Iron Man.

Humanities; The UK

In this unit, children will take a look at the geography of the UK – from the physical features of mountains, rivers and seas to the manmade administrative regions and counties. They will find out how the UK has changed over time, looking at how London grew and how the population of the UK as a whole has changed throughout the course of history

Science; Animals Including Humans

This unit teaches the importance of the right type and amount of nutrition as well as the functions of skeletons and muscles. The children will be able to name the different types of skeletons and identify the main bones in the body. They will explore how pairs of muscles work together to enable movement.

Create a moving Iron Man poster!

Learning Skill:

'Knowing Me, Knowing You'
