<p><b>EARLY YEARS CLASS: CHEETAHS</b></p>  <p><b>EARLY YEARS CLASS: LEOPARDS</b></p> 	<p>We hope you all had a lovely half term break! This term, we will be concentrating on learning about life cycles and how different people in the community help us. In Maths, we will be learning all about simple division, counting forwards and backwards on a number-line and about 2D and 3D shapes. We will continue to learn our letter sounds so that we can write our own simple stories and sentences. Please could you ensure that your child brings a full water bottle to school each day and wears a sun hat and sun cream when the weather is hot and sunny.</p> <p>Please could all PE kits be in school as soon as possible please, as practising Games for Sport Day will be the focus for this term's PE.</p>
<p><b>YEAR 1 CLASS: TIGERS</b></p> 	<p>We hope you had a very enjoyable holiday. The children have come back refreshed and ready to learn. Please could all PE kits be returned to school. This week they have enjoyed the first of our Balanceability sessions, which they will continue over the next few weeks. As the children wear bike helmets for these sessions, please can you make sure that long hair is tied back in a low ponytail with no metal clips where the helmet would go. Next week we will be carrying out the Phonics Check. The children know that next week a new book full of words will be delivered and that some of them will be alien words. We have been pretending to be alien detectives on a mission to read all the strange words that the aliens are saying!</p>
<p><b>YEAR 2 CLASS: PUMAS</b></p> 	<p>It's been a busy few days back at school. We've enjoyed completing our circus of reading scales activities in Maths. From reading a range of pictures of scales to practically weighing and pouring liquids in different containers, we have learnt so much on how to read different scales. We have also completed our topic on Judaism this week and have learnt about The Creation and Hanukkah. We've loved the creative activities that we have participated in. As well as this, we also created our own dips - we were very imaginative and rather brave in the concoctions we created. From next week we will be starting our topics on Materials and Sculptures. Please could we ask if the children could bring in any clean junk modelling offerings. Thank you so much!</p>
<p><b>YEAR 3 CLASS: JAGUARS</b></p> 	<p>What a great start to our term this week by going on our trip to Tyland Barn. The children had a great day and have hopefully told you all about the different plants, trees and mini beasts they found. The staff were really impressed with how engaged the children were with all the different activities - well done Jaguars!</p> <p>We are continuing to look at time this week, any practice with this at home makes a real difference for the children especially as we move onto the 24 hour clock next week.</p> <p>This week we are having to say a couple of goodbyes; first to Miss Godfrey who has been volunteering with us once a week since October and is now off on an exciting adventure with Camp America and to Miss Cooper who is finishing her teaching practice with us this week. The children have really enjoyed working with them and are sad to see them go!</p>
<p><b>YEAR 4 CLASS: JUNGLE CATS</b></p> 	<p>Year 4 had a great time at Tyland Barn on Tuesday. The trip was very informative and gave the children an insight into the types of plants and trees that make up the Kent landscape. As usual the class were well behaved and a credit to the school. On Friday the class will be telling the school about their experience during Celebration Assembly.</p> <p><b>**Please keep collecting recycled containers and plastic for Project Salus.**</b></p>

**YEAR 5 CLASS:  
CARACALS**

What an exciting week ahead! PE kits have been sent home in case you would like to include any clothing into your packing for Hailing Island. We look forward to seeing you for your adventure on Monday. Those people remaining at Headcorn, are going to have a lovely week full of activities. You are welcome to come in non-uniform for the week. Bare in mind we will be doing painting and outdoor learning so think comfy, rather than fashionable. No jewellery please.

Homewood School and Sixth Form Centre are hosting an Open Day on Saturday, 16 June from 10.00am.

**YEAR 6 CLASS:  
LIONS**

Just a reminder of the new dates for the leavers' performances – Friday, 13 July and Tuesday, 17 July.

A huge thank you for everyone's help with the play props. It is wonderful to see the Headcorn Year 6 community pull together and I am absolutely bowled over by the quality of the items handed in thus far. I believe the Turner Prize nominations are due in soon so if I were you, I would strongly consider writing your artistic manifestos and entering your masterpieces for this at the same time!
