

Be **S.M.A.R.T** Online...

S

Keep **SAFE** by not sharing personal information online.

M

MEETING someone that you have only met online can be dangerous. Online friends are still strangers.

A

ACCEPTING emails or messages from someone you don't know can lead to trouble.

R

Someone online might not be who they say they are. Check that information is **RELIABLE**.

T

TELL a parent or trusted adult if you see something online that upsets you or makes you worry.
