Digital Citizenship

Nine Proactive P's
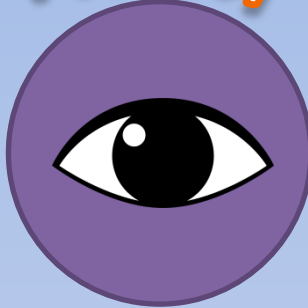

Passwords

Check that your child knows how to create strong passwords.

Privacy

Does your child know how to protect their private information?

Personal Info

Is your child sure about who they should share personal information with?

Photography

Photographs can unwittingly reveal personal information.

Property

Does your child understand about copyright and property rights?

Permissions

Check that your child knows how to get permission for work they use.

Protection

Is your child aware of viruses, malware, ransomware and phishing emails?

Professionalism

How will your child interact with other users online?

Permanence

Does your child understand about how permanent anything written online is?
