

### HEADCORN HEADLINES: Friday 11<sup>th</sup> February 2022

Dear Parents and Carers  
Halfway through the school year and we are looking forward to events ahead particularly in Term 4.

We are excited to announce that as part of our World Book Day celebrations this year, we have secured a visit from West End in Schools, who will deliver a 'Bringing Books to Life' workshop to every class on either Monday 28<sup>th</sup> February or Tuesday 1<sup>st</sup> March. World Book Day falls on Thursday 3<sup>rd</sup> March and we will be celebrating this special day by taking part in a range of activities in class and focussing on a specific author or book linked to our theme of 'Growth.'

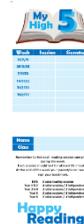

This year, rather than dressing up, we are asking the children to create a book character out of any garden vegetable - you can be as creative as possible and let your imaginations run wild with this one! Please bring your creations into class on Thursday 3<sup>rd</sup> March.

I hope you are having a lovely Half Term break!  
See you all again on Monday 21<sup>st</sup> February.  
Miss Symonds

### My 5 High 5

Huge congratulations to the Jaguars (3A) who are the winners of My 5 High 5 for Term 3 and have definitely shown their dedication and enthusiasm for home reading this term! Your child will bring home their new bookmark at the beginning of next term, every time they read at home, either to an adult or to themselves, you just need to tick the bookmark and sign it at the end of the week. Sharing reading at home as well as at school really is the best way to help your child to develop their love and enthusiasm for reading and we thank you for your continued support with this.

### Red Nose Day

Friday 18<sup>th</sup> March is Red Nose Day. We will be having a non-uniform day to raise money for this charity. Please enjoy wearing your own clothes with any RND accessories and bring a £1 or your donation and drop it into the buckets at the gates.  
Thank you!

### Book Look before Parent Consultations

On Tuesday 22<sup>nd</sup> February we will be holding an opportunity for parents and carers to come into class to have a look at their children's books and work. This will happen from 3.10pm onwards, ending at 4pm giving those families with more than one child at the school plenty of time to visit each classroom.

### Parent Teacher Consultations

Parent Teacher Consultations will be taking place during the weeks beginning 7<sup>th</sup> and 14<sup>th</sup> March. The dates for each year group will come out soon and we will let you know when the booking system is going live.

### Assemblies

Every day the children have assemblies that are aimed at developing their understanding of the wider world, sharing our core values, and encouraging self-reflection. Next term we are looking at LGBT+ history. We will be learning about inspirational people such as Elton John, Alan Turing and Vita Sackville-West.
