

## HEADCORN HEADLINES: Friday 4<sup>th</sup> March 2022

Dear Parents and Carers

What a 'vegtastic' day we all had celebrating World Book Day this year! Congratulations to every family who produced a **Vegetable Book Character** for **World Book Day** yesterday – the amazing creativity and originality of everybody's book character designs really did blow our minds. Thank you so much for all your support and help in making these with your children, we hope you enjoyed it as much as the children enjoyed showing them off at school. There was such an exciting buzz around school yesterday, with such a wide range of different activities taking place which was rounded off with teachers sharing a story with different classes. Keep Reading!

On Monday and Tuesday this week each class took part in workshops run by **Westend in Schools**. A **BIG THANK YOU** to our generous PTFA paid for this opportunity raising the **£1000** needed so that we did not have to charge any families to take part.

Have a lovely weekend!

Miss Symonds

### Road Crossing Patrol News!

After many weeks of consultation we have heard that it has finally been agreed to relocate our Road Crossing Patrol to closer to our Main Entrance. This new location will be used as of **Monday 7<sup>th</sup> March 2022**. This move has been agreed as our drop off procedures have relocated from the KS2 playground, as it was before the pandemic, to the Main Entrance. We hope that this means that more families are able to cross the road safely with Mr Curteis. Please bear with us as we get used to these new procedures.

### My Child at School (MCAS)

Thank you to everyone for working with us to make My Child at School (MCAS) a success. We now have 214 active users. Parents and carers can now access attendance and clubs. We will be aiming to activate modules for Wraparound Care, School Dinners and Trips over the next two weeks. If you have any technical issues please contact Tracey Jefferson in the office [tracey.jefferson@headcorn.kent.sch.uk](mailto:tracey.jefferson@headcorn.kent.sch.uk)

### Parent Teacher Consultations

Parent Teacher Consultations will be taking place during the next two weeks (week beg. 7<sup>th</sup> and 14<sup>th</sup> March). These meetings are formal meetings for parents, carers and the class teacher so ideally without your children present.

### Assemblies

Every day the children have assemblies that are aimed at developing their understanding of the wider world, sharing our core values, and encouraging self-reflection. Next week we will be talking about Lent, which started this week.

## Next week's curriculum overview

### Year R Cheetah & Leopard Classes: Next Week's Curriculum Focus
