

## HEADCORN HEADLINES: Friday 6<sup>th</sup> May 2022

Dear Parent and Carers

What a busy week we've had! May Fair, Ofsted, Year 3&4 trip and our Young Voices Choir singing at the O2!

An enormous THANK YOU to the May Fair Team, all staff, parents, carers and pupils who worked so hard, supported and attended this year's May Fair on Bank Holiday Monday. I don't think I've ever seen Day's Green so busy or seen so many dogs in one place! What a successful and extremely enjoyable day. I'll leave the PTFA to proudly report the total raised below but I can honestly say that we have never had such a large amount of money raised on one day! Very well done and THANK YOU! We can't wait to spend this money on providing your children with exciting opportunities to progress their learning and experiences.

On Thursday Year 3 and 4 enjoyed their first trip out on a coach since being in Year R. They went to the 'Living Land' experience held at Detling Showground. Much fun was had learning about food, farming and countryside life. The children learnt about how their food gets from farm to plate.

Today, Friday, the Young Voices choir are off to sing with approximately 5000 children at the O2 Arena. I am sure we will be sharing some photos and experiences from this event soon.

I also want to thank you all for your support during this week's Ofsted Inspection. It has been an intense couple of days but we were energised and encouraged by your undeniable support through the survey responses, your thoughtful words, your smiles and thumbs up and of course the chocolate! Thank you so much!

We now await final judgements which won't be with us for a few weeks. So in the meantime, we will be getting on with planning and enjoying all the upcoming learning, events, trips and experiences that the Summer terms hold.

Have a lovely weekend!

Miss Symonds

### Assemblies

Every day the children have assemblies that are aimed at developing their understanding of the wider world, sharing our core values, and encouraging self-reflection. As next week is would have been Florence Nightingale's birthday, we will be talking about people who help us.

**PTFA Update:**

**A huge thank you to our fantastic school community!**

As you know we have announced our fundraising figure for the May Fair, a staggering **£9,446!!** This is an amazing result and we cannot wait to start working with the school to spend this on things that will benefit the children.

We were thrilled to see so many people having a fantastic time on Monday and to hear so much lovely feedback. We would like to thank everyone who contributed to the day (all our fab volunteers who helped in the lead up selling raffle tickets and distributing programmes and all those on the day who worked so hard, everyone who had a garden board outside their house or business, the school staff for working so hard on the BBQ) but there are some special thank yous that we must mention by name: Katy & Rob Baldock, Kate Ball, Jodie Davis and Jo Maher. The PTFA committee are also extremely grateful to Maz Stack for the endless hours she spent on managing the May Fair in the lead up to and on the day. A lot of it wouldn't have happened without her. The whole team pulled together for a fantastic day and we are so proud of the positive impact it has had on our school and local community.

Thank you so much!

We promised a prize to the class who volunteered the most hours but in light of the huge success of the day and we will be treating all the children to something special!! More info to follow!

Lastly and most importantly, our hard working and dedicated planning team who have been working on this project for over 4 months, all have jobs of their own and other commitments but squeeze in the extra time to help put this huge event on for the benefit of the school and the children! **Thank you to each and every one of you** (and your husbands, wives or partners who have also had to do extra or have been dragged out to help!!):
