

HEADCORN HEADLINES: Friday 1st July 2022

Dear Parents and Carers

Thank you to everyone who attended our first round of face to face **Parent Teacher Consultations**. It was lovely to see everyone in school again. We look forward to seeing everyone else this coming Tuesday.

We had a very successful **Transition Morning** yesterday with classes moving up to their new classrooms and teachers. We welcomed two new teachers who are joining us in September. Miss Bramley-Harker and Mr Husbands will be joining our Year 5/6 team. TA placements will be announced soon and we will be able to give you our updated 2022/2023 staff list.

Staff Update:

It is with a heavy heart that I have to announce that we will be saying a fond farewell to three members of staff! **Mrs Saye** has decided that following her maternity leave, she is having so much fun with her daughter Isabella enjoying experiencing everything wonderful about her growing up that she is going to continue to spend lots of time with her!

Mr Andrews will be leaving us for a new teaching opportunity. He will be missed not only for his teaching skills and passion for learning but also for his quick wit, sense of humour and those famous deep Scottish vocals. We also lose the lead singer of our Staff Band, our resident Father Christmas (shhh don't tell the children!), our Chess Grand Master and so much more!

Mrs Collins has decided that after 27 years of being involved with the school it's time to retire but also so she can explore the world especially North America as her daughter is moving out there this month. Mrs Collins has worked in every year group, been a volunteer, TA, HLTA, co-ordinated our Educational Visits, been a champion of many sports, leading many a club, especially known for her Hockey triumphs! I know I will have missed many things that Mrs Collins has turned her hand and talents to - you name it and she's has thrown her hat in the ring with her 'can do', 'anything for the children' positive attitude. She will be missed but we are hoping that she will still be involved with the school when she can, bringing her love and dedication to this school in with her!

I am sure you will all join me in wishing Mrs Saye, Mr Andrews and Mrs Collins all the very best for the future and thanking them for everything they have done for our school and its children and our families over the years!

Look forward to seeing you all at Sports Day on Monday. Read on for a recap of the information!

Have a lovely weekend!
Miss Symonds

Ofsted Report Update:

Our new scheme called **Cornerstones** takes the form of 10 'Big Ideas' that provide a purpose for the aspects, skills, knowledge and contexts chosen to form the substance of the curriculum through a cycle of Engage > Innovate > Develop > Express. Here are the 'Big Ideas' explained:

Humankind: Understanding what it means to be human and the cause and effect of human behaviour.

Processes: Understanding the many dynamic and physical processes that shape the world around us.

Creativity: Understanding how everyday and exceptional creativity can inspire and change perceptions.

Investigation: Understanding the importance of asking questions, formulating hypotheses, gathering information and analysing evidence.

Materials: Understanding the unique and physical properties of all matter and how we interact with them.

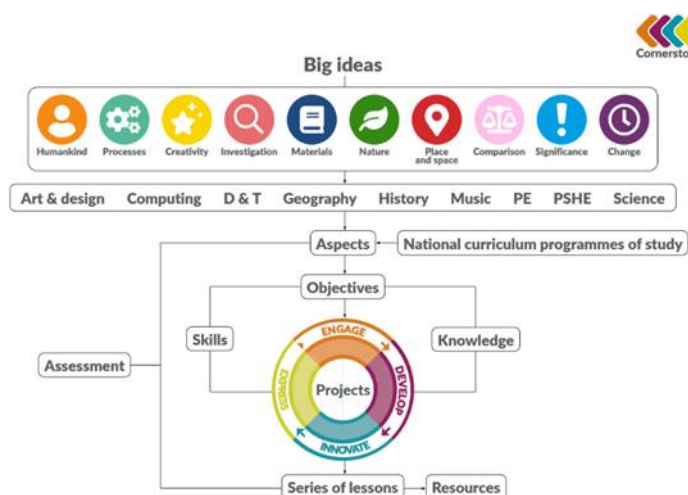

Nature: Understanding the complexities and interdependence of the plant and animal species that inhabit the world's ecosystems.

Place and Space: Understanding the visual, cultural, social and environmental aspects of different places around the world.

Comparison: Understanding how and why things are the same or different.

Significance: Understanding why significant people, places, events and inventions matter.

Change: Understanding why and how things have changed over time.

Recorders Needed

If any households have any unwanted recorders which are in **good condition**, the school would be very interested in gathering these together to use next year.

We are proud to announce that the school has received a BRONZE level award from the Kent School Games Organisation for our sports provision over the last academic year. This award demonstrates the depth of our after school sports provision and our commitment to both intra and inter sporting competition. With your help we hope to build on this and do even better next year. A massive thank you to all those pupils who have attended after school clubs on a regular basis and to those who have represented the school on the sporting stage. Finally, we would like to thank all the staff who have diligently given up their free time to provide these opportunities for our school community.

Guitar Lessons
